

General Meeting - 23 June 1963

Lakehead Amateur Radio Club

After the roll call the minutes were read and attention was drawn to the fact that Frank Start - VE3AJ was appointed as Operational Officer at the previous meeting and the Secretary was instructed to include same in minutes.

Field Day was discussed and a lively discussion followed as to location and gear to be used. Power generator to be supplied by Bill Roberts - VE3ARN, courtesy of Hydro. Also, our Editor will print "High-Q" after Field Day with the results.

The Duluth boys changed their picnic site this year and sent out invitations to the local hams.

A picnic for our Lakehead Club was discussed and the setting of date and place was set for our first meeting after summer holidays.

A discussion followed on who could operate the club station and what class of license was required by an operator of said station.

Les Harris - VE3AYZ suggested that a Radio Regulation handbook would come in handy at the Club station.

Don Brown - VE3EDJ said he promised to keep the Field Day site clean and would members cooperate in keeping site clean of bottles, jugs and other containers.

Les Harris - VE3AYZ suggested that it would be a good idea to set up a ham station at the Murillo Fair and members could get experience in handling traffic.

Motion to adjourn meeting was made by Dave Kimpton - VE3AVS and seconded by Don Brown - VE3EDJ.
